Part IV Supplemental Information. Provide the information required in Part I, line 2; Part III, column (b); and any other additional information.

Part I Line 2: Board of Directors' approval is required for application and receipt of all grants. Upon request of funding, all grant contracts are reviewed by management to determine allowable expenditures. Prior to incurring grant related expenditures, the Director of Administration, in conjunction with project directors, reviews requisitions to ensure all expenses are reasonable, allowable, and allocable to the various grants. Any unallowable grant expenses are charged to the agency unrestricted fund account. On a monthly basis, the Director of Administration performs month end closing activities, verifying and reconciling the agency trail balance. The Board of Directors reviews revenue and expense reports for all grant contracts at each board meeting. Fiscal and program monitoring visits are conducted by most grant awarding agencies, results of which are reviewed by the Board of Directors. At year-end the agency undergoes an independent financial audit. Prior to the audit activities, all accounts are closed and preliminary financials are produced and reviewed by management. Any variances are researched
